

International Missions NEWSLETTER

Greetings in Christ!

I am both honoured and excited to join the Through the Roof team as the new International Missions Manager. My journey has been shaped by years of professional experience and by a deep, personal calling to serve in missions.

As a Reverend Minister, I've been involved in missions for nearly a decade. These experiences have not only enriched my faith but have given me invaluable insights that will guide and inspire the work we do.

I was born in the suburbs of Paris, where I experienced first-hand the challenges of race, culture, and language barriers. This background has instilled in me a strong sense of inclusion, especially as I've seen the transformative power of the Gospel to reach across divides.

A particularly eye-opening experience came in recent years, when I travelled with my mother—who now uses a wheelchair—back to Guinea-Bissau to lay my father to rest. Seeing the stigma surrounding disability first-hand deeply moved me and reinforced my commitment to teaching inclusion. It is my prayer that through our mission work, we will not only share the love of Christ but also educate and uplift communities to embrace all people, regardless of race, language, or ability.

As we step into this new season together, I believe we will build on the incredible foundation laid by Shaun and those who've come before us by expanding our reach into new territories and deepening our relationships with both long-time and new partners.

I am truly excited to see what God has in store for us as we continue to spread hope, love, and transformation around the world. Thank you for joining me in this journey. I look forward to what we will accomplish together as we serve God's Kingdom!

Blessings,
Faith Mendy

International Roofbreakers Update

Roofbreakers International

We are continuing our effort to grow our team of Roofbreakers worldwide.

- Mozambique: 15-25th Oct 2025 TBC run locally by Somos Nós (no UK team)
- India, Kolkata: **18-28th Feb 2026** in partnership with Sathyam Ministries

Nigeria Update

- A Nigeria Roofbreakers mission took place in Lagos Nigeria between the 19th of February and 1st of March.
- One of the speakers was Greg, pictured here, who contracted polio aged 5. Greg shared his testimony; 140 people attended the Roofbreaker event in Lagos.

Read Greg's moving story in the Nigeria Roofbreaker International trip blog at www.throughtheroof.org

The Term 'Roofbreaker' comes from the passage in Luke 5 where four men bring their paralysed friend to Jesus. When they couldn't get him to Jesus because of the crowd, they found another way and literally broke through the roof to bring him into the presence of Jesus.

Our 'ABC' journey of disability inclusion model ensures our activities and partners achieve three vital outcomes, to enable:

- Access:** Everyone knowing Jesus, with disabled people fully welcomed into church and Christian life
- Belonging:** All growing together as the family of God, flourishing in community with others.
- Commission:** Everyone reflecting Jesus, with disabled people making disciples to the glory of God.

Volunteers

‘That's not the way it should be among you. Instead, whoever wants to be great among you must be your servant.’ (Matt. 20:26)

“For the Son of man came not to be served but to serve.” Jesus is still great – he is still a leader, a king, someone with authority, but in a very different scene than the one James and John have imagined him in this chapter where Jesus teaches us to serve. Jesus is a leader who serves, a king who walks among his people, not one who reclines on some throne far away. No: Jesus gets involved, washes feet and wipe tears.

Could You Be Jesus' Hands and Feet?

Are you ready for a life-changing adventure? If you're passionate about travel, helping others, and making a real impact, we want YOU to join us!
