RESTORE

RESULT

Change the life of a disabled person in a developing country through the gift of a wheelchair

"He now has a dignified place, up from the dirt!"; Francis' Mother, in Uganda 2022.

Francis, a 23 year old man with cerebral palsy arrived carried at the distribution on his mother's back. Francis' legs were covered in mud and his knees calloused from crawling. He had a wheelchair as a child, but outgrew it, and now his mother carries him for any journeys beyond crawling distance. When he got in his wheelchair, he immediately started pushing himself around—it was hard to finish fitting the chair because he was so excited to be moving!

All About Wheels

65 million disabled people worldwide need a wheelchair (World Health Organisation). Most of these people don't have the money or opportunity to buy one. Wheels for the World, an overseas programme of Through the Roof, restores and distributes previously-used wheelchairs to people in several African countries, giving disabled recipients increased independence and demonstrating the love of God in a practical way.
